### Clarke To Open For 50th Year

By W. L. Compere, President

With the opening of the fall session on Wednesday, Sept. 3, at 11: A. M., Clarke Memorial College will be embarking upon its fiftieth year of service.

Plans are being made for a Golden Anniversary Celebration at Commencement time in the spring of 1958, which will be an appropriate climax for the recognition of the half-century mark in the history of the school.

The first feature of opening week will be an orientation program on Monday night, September 2, at 7:30, designed to help new students become acquainted with life on the campus, and this will be followed by a reception sponsored by the Baptist Student Union.

Tuesday will be given to a testing program for freshmen and sub-collegiate students. The schedule of registration will be as follows:

Evening classes, Tuesday night 7:00 p. m. Sophomores, Wednesday morning, 8:30; Freshmen and Sub-collegiate, Wednesday afternoon, 1:30.

WASHINGTON, D. C. (RNS)

A bill to extend for two years the period in which ministers, missionaries and members of religious orders may elect social security coverage as self-employed persons was passed by the Senate. It previously was approved by the House.

The measure extends the deadline for election of such coverage (except for newly ordained ministers) from April 15, 1957 to April 15, 1959.

It also provides that clergymen who erroneously thought they were covered as employees of non-profit institutions will have their coverage legalized. Such ministers will have to change over and pay their social security tax on a "self-employment" basis as do other clergymen.

A 1954 amendment to the Social Security Act permitted ministers for the first time to elect coverage as "self-employed" persons.

The approved bill, sent to President Eisenhower for signature, was sponsored by Rep. Burr P. Harrison (D-Va.). By means of six pages of complicated amendments, it seeks to cover all instances in which clergymen have become enmeshed in the technicalities of the social security law.

## Late BULLETINS From Around The World

THE HAGUE — A Netherlands government commission has recommended that the State contribute to the cost of building new churches in this country over the next ten years.

OMAHA, Neb. — Representatives of the Veterans of Foreign Wars and the Fraternal Order of Eagles filed with the Secretary of State forms necessary to start a petition campaign for a referendum on a constitutional amendment to legalize bingo games operated by non-profit groups.

WASHINGTON, D. C. — Philip F. Aylesworth of the Federal Extension Service has been named by the Department of Agriculture to serve as its liaison officer with rural churches. It is the first such appointment in the department's history.

NEW YORK — The first in a series of public religious services to be held aboard the Mayflower II, replica of the original ship which brought the Pilgrims to America in 1620, was conducted here under the auspices of the Protestant Council of the City of New York.

## Theologian Sees American Ideals Drifting Aimlessly

MINNEAPOLIS, Minn. (RNS) — Modern American man "does not know where he is, where he has been and is obscure about where he is going," a Lutheran theologian said here.

Dr. Joseph Sittler of Chicago also said most preaching from church pulpits in the United States today is "irrelevant — without any attempt to shape the Gospel in terms of the needs of modern man."

Dr. Sittler is a professor at Chicago Lutheran Theological Seminary. He will soon join the Federation Theological Faculty of the University of Chicago.

Addressing a session for visitors at the Lutheran World Federation assembly here, he said: "Never before has man been so bereft of a general center for his life."

In previous times, the theologian noted, there was some sort of "common understanding... a kind of glue," either of religious orientation or inherent in the social structure, which helped hold man together.

Further, modern man by his failure to study and discipline himself also has failed in his attempts to relate himself to his history and background, he added, so that "for millions it is true to say he does not know where he has been."

Man has attempted to find various answers for the question, "Where is he going?" Dr. Sittler said. "He has looked for these in the theory of natural progress, in technological developments and in the extension of physical life through medical discoveries."

The Church, in speaking to the disoriented and undirected modern man, he said, has been generally preaching an "irrelevant Gospel."

## Owen Cooper To Speak At Carey

Owen Cooper, of Yazoo City, well known Baptist layman, will bring the address at the opening convocation of William Carey College Thursday morning, September 12 at 10 o'clock in Tatum Court auditorium.

Immediately following the convocation the ground-breaking for Carey's new science building will take place on the east campus.

The science building is a companion building to the new library which is nearing completion. It will include approximately 13,000 sq. ft. of floor space.

New students will come to the campus on September 6 for a period of orientation and testing. Former students will return on Tuesday, September 10. Faculty planning sessions have been scheduled for September 5, 6, and 7. The Student Government Retreat will be held September 5; the annual B. S. U. Pre-School Retreat is scheduled for September 7 and 8.

Faculty and students returning to the Carey campus will be impressed with noticeable improvements in the physical plant.

Efficiency apartments for married students are being occupied for the first time.

## Immodestly Dressed Tourists Asked Not To Visit Churches

ROME (RNS) — Police here have been instructed to advise tourists wearing "immodest clothes" not to visit churches and other public places, the Rome radio reported.

It said immodestly clad tourists found entering churches are being requested to go back to their hotels and don more suitable attire.

## Anabaptist Martyr Is Honored By Mennonites

ROTTENBURG, Germany (RNS) — A memorial plaque honoring Michael Sattler, Anabaptist martyr, was dedicated at the Rottenburg Lutheran church here before some 300 Mennonites from various parts of the world.

The dedication followed the Mennonite World Conference at Karlsruhe attended by representatives of Mennonite churches from 13 countries.

The plaque, placed on a wall of the church, reads: "In memory of Michael Sattler, Anabaptist martyr, who on the 10th of May, 1527, in Rottenburg sealed his faith with his blood."

Michael Sattler was a leader of the Anabaptists in Zurich in 1527 and served as secretary in drawing up the Schleitheim Confession, first written formulation of the Anabaptist doctrine. Before his arrest and execution by the State Church of Rottenburg he established a congregation near the city.

The Mennonites trace their origin to the founding of the early Anabaptist congregations in Rottenburg and Zurich.

Under a new constitution adopted at the Karlsruhe meeting, the Mennonite World Conference will convene every five years. The 1962 sessions will be held in Canada.

## Associations To Begin Meetings This Week

The 76 associations within the family to the Mississippi Baptist Convention begin their annual meetings this week.

The first one to convene is DeSoto, meeting on Thursday of this week at Trinity Church, Hernando.

September finds six others meeting, with the remainder 69, all meeting in October.

The last association to meet this year, as in the past several years, will be Lowndes, scheduled for October 29-30.

The complete schedule will appear in next week's issue. You may want to clip it for future reference.

## Communists May Force Church To Alter Structure

### R. A. McLemore To Become MC Prexy Next Monday

Monday, Sept. 2 will be a memorable day for Mississippi College for on that day the first new president in 25 years will officially take over.

Dr. R. A. McLemore, former dean of Mississippi Southern College, Hattiesburg, who has been serving as acting president during August, will officially become president on that day.

The new prexy, a well-known Baptist layman and deacon, has moved to Clinton and has begun to get the "feel" of the community as well as the college.

Dr. McLemore will not be a total stranger to the campus and the community as he was a student and a graduate of the school.

The college has grown tremendously and the face of the community has changed considerably since his student days. Dr. McLemore will succeed Dr. D. M. Nelson, retiring president.

MINNEAPOLIS, Minn. (RNS) — Communist oppression may force the Lutheran Church to change its structure to survive in Iron Curtain countries, an East German bishop said here.

This change, said Bishop Friedrich Wilhelm Krummacker of Pomerania, could be from the semi-state church form common in Germany to "new forms of free and active congregations ready to witness and if need be to battle."

In an address to the third assembly of the Lutheran World Federation he added that "we are never fighting for a lost cause even if our present church forms should have to be discontinued."

"We who live in countries ruled by Communism and are aware of the radical changes in our social conditions," the bishop said, "have the duty as well as the freedom soberly to examine the question whether or not the traditional parochial system of the folk-church should be superseded by new forms."

"Pain, suffering and persecution are some of the means by which the Lord unites His Church," he said. "The Church will experience anew that seasons of tribulation, oppression and even bloody persecution may be especially blessed and profitable."

## Church Construction Continues Upward

WASHINGTON, D. C. — (RNS) — Church construction in July totalled \$75,000,000, an increase of \$2,000,000 over June, the Departments of Commerce and Labor reported.

The July figure was a 12 per cent rise over the same month last year when church building amounted to \$67,000,000.

Total church construction for the first seven months of this year reached \$475,000,000. Last year's total for the same period was \$404,000,000.

## Ex-Executive Secretary Passing Milestone 77

By W. C. Fields Editor

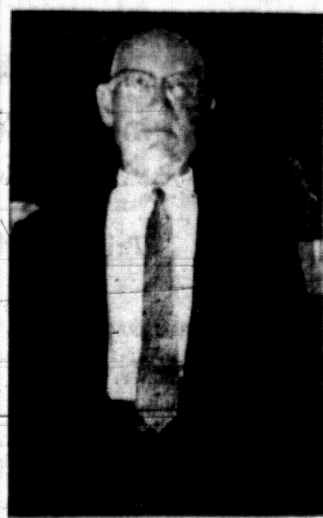

The man who led Mississippi Baptists through the depression years, who once received a shoebox full of pearls as a revival honorarium, and who raised many thousands of hard-times dollars for Baptist causes, says as his 77th birthday approaches: "I had rather see the churches, the colleges, the seminaries and all our work grow and to have some part in their growth, than to have the most profitable business in the world."

Dr. R. B. Gunter, who was executive secretary for Mississippi Baptists from 1921 to 1939, is enjoying life on an attractive, peaceful farm 2 1/2 miles east of Florence.

Looking ten years younger than his age and speaking with wisdom that befits a centenarian, a visit with him is an event. Born in Leake County September 3, 1880, next Tuesday he will be promoted to Year

No. 77.

He is serving as pastor of the nearby Briar Hill Church, one

DR. R. B. GUNTER, leader of Mississippi Baptists for 18 years as executive secretary, will observe his 77th birthday next Tuesday, September 3.

of the finest country churches in the state.

### Classmates

Friendships made over the years are greatly cherished by him. Listening to him talk, the college days of 1907 when he graduated from Mississippi College, do not seem too far away. He and Dr. D. M. Nelson were classmates. He roomed with Dr. Webb Brame of Yazoo City. Dr. Gaines Dobbins was a schoolmate and is a close friend. Members of the Mississippi College Senior class of 1907 gathered for a reunion at spring graduation time this year. There were eleven present.

Dr. Gunter was pastor at West End Church, Laurel, then at Louisville before becoming executive secretary of the Education Commission. During a two year period immediately after World War I, he raised over \$100,000 to pay off the indebtedness on the Baptist colleges of the state.

## FIRST, H'BURG, PLANS CALENDAR AT KITTIWAKE

Staff members and organizational heads of First Church, Hattiesburg, met at Kittiwake Assembly, Pass Christian, Friday evening and Saturday, August 16 and 17, to plan the calendar of church activities for the year beginning October 1, 1957 and closing September 30, 1958.

Emphasis was given to correlating the work of all church activities by planning together. As a result of the meeting, a well-balanced program for the year was planned.

All members of the church staff and heads of the organizations were present for the meeting. Those present (left to right): Mrs. H. H. Bounds, Church Hostess; Mrs. Louis Zehnder, Woman's Missionary Union President; David Thompson, Training Union Director; Mrs. N. H. Webb, Church Secretary; Clyde C. Bryan, Pastor; Chester Vaughn, Minister of Education; Moran Pope, Sunday School Superintendent; Gaines Hightower, Financial Secretary; Jack Lyall, Minister of Music;

Wheeler Bryant, Brotherhood President; Charles Calkins, Assistant Minister of Music; Mrs. Maurice McWhorter, Organist.

## Applegate Records 1000th Member At First, Starkville

The 1000th member during the ministry of the present pastor, Rev. D. C. Applegate, was received into First Church, Starkville, Sunday, August 18. The 1000 additions to the church have been made during the space of two years and eight months. Of these additions 216 have been received by baptism, with a net increase of over 500 in total membership.

## MATALKAS LEAD SPECIAL SERVICES AT OVETT CHURCH

Special services were held at the Overt Church Saturday night and Sunday, August 17 and 18, with Rev. Sam Matalka preaching. With Sam were Philip and Nadya, his brother and sister, who gave their Christian testimonies.

The Matalkas are from Jordan, Arabia, studying in Baptist schools in America. Sam plans to attend Southwestern Seminary, Fort Worth, Texas, this fall, while Philip and Nadya plan to attend Mississippi College.

There was one addition to the church. The pastor at Overt is Rev. Wade Allen.

## Ex-Executive - - -

(Continued from Page 1)

Following a one year pastorate at Carthage he was asked by the convention board to become its executive secretary. In that capacity he succeeded Dr. J. B. Lawrence who went on to serve for many years as the head of the Home Mission Board.

**Pioneer**  
Coming into denominational leadership at that particular time, Dr. Gunter shouldered the responsibility of introducing to Mississippi the newly projected Cooperative Program. Through his leadership the denomination never had to run in debt during the trying times of The Great Depression.

Upon retiring from these heavy responsibilities in 1939 his role of elder statesman has kept him busy in evangelism, as pastor, interim pastor, visiting preacher and counselor. Mrs. Gunter, the gracious, charming and thoughtful companion of these later years, indicates that time hangs heavy on his hands.

He has four well-stocked fishing ponds on his farm and he uses them. If I didn't know how well some of these Baptists like to spot good fishing places I would reveal that the good Dr. has caught bass out of them weighing up to six pounds, fifteen ounces.

**Call to Preach**  
Dr. Gunter was converted at sixteen and shortly afterward felt the call to preach. The first impression of the divine summons came, he tells, clearly, and definitely at a precise moment that he still remembers.

While standing on the porch of the old home place singing to himself one day he felt the first strange stirrings of God's beckoning.

Hearing him relate that experience on another front porch sixty years later, somehow calls up in the memory the testimony of the aging Paul and it seems most appropriate: "I was not disobedient to that heavenly vision."

During this time when he has been unable to write the lessons the Baptist Record has received numerous letters noting their absence and expressing the hope that they would begin again soon.

Dr. Campbell returned to his home in Clinton this week and we will look forward to his weekly expositions as they appear in the paper.

## GRAHAM TO MAKE TOUR OF CARIBBEAN AREA IN 1958

GUATEMALA CITY (RNS)—Protestant sources here said Billy Graham will make an evangelistic tour of seven countries in the Caribbean area early in 1958.

They said the tentative dates for a Guatemala visit, set by the Graham organization and Protestant groups here, are Feb. 11-12.

Other countries in which Mr. Graham will hold crusades, the sources said, are Cuba, Haiti, Mexico, Costa Rica, Venezuela and Panama. They did not disclose dates for these visits. The Protestant spokesman said that so far as they knew the tour would represent Mr. Graham's first visit to Central America.

The crusade in Guatemala, they said, will include a tour of 14 of the country's most important cities by two Latin American evangelists three weeks prior to Mr. Graham's visit. Then ten days before his arrival, they said, a Billy Graham associate will make a tour throughout the country in preparation for the evangelist's campaign.

## PEARL RIVER ASSO. OPPOSES LEGAL LIQUOR

The Executive Committee of the Pearl River Association, at a regular meeting held at First Church, Carriere, on August 11, adopted resolutions opposing the legal sale of liquor in Mississippi.

The resolutions emphasized the fact that God has blessed the state because the legal sale of intoxicating beverages has not been permitted, and that if permission is granted for the legal sale of these alcoholic beverages, it will be a serious blow to the religious, social, and economic welfare of Mississippi.

The resolutions further declare that pronouncements of the governor as revealed in newspaper reports make clear the danger from the liquor forces in "their never-remitting drive to capture the mass of people in our county and to make drinkers of alcoholic beverages of them."

The Executive Committee state in the resolutions their belief that existing laws are sufficient if properly enforced, and that the sale and transportation of alcoholic beverages into this state would forever be a blot upon its good name. Therefore, they express their unalterable opposition to any movement that would bring the legal sale of alcoholic beverages to Mississippi.

W. A. Fordham, Vice-Moderator, and Virgil Ratcliff, Superintendent of Missions of Pearl River Association, signed the resolutions.

## ORIENTAL JAPAN BANQUET THEME AT PARKWAY, JAX

Guest speaker for the evening will be Eddie Young, Youth Director, Northside Church, Jackson.

## A CHECK FOR TWO DOLLARS HAS GOSPEL HEART APPEAL

NASHVILLE (BP)—A check for \$2 arrived in Nashville the other day.

From a financier's standpoint, it would have been "chicken feed." From a Christian point of view however, it was more like the "widow's mite" Jesus commented on.

The \$2 came from Korea, still bearing the scars of recent conflict. The donors were a group of children who attended a Vacation Bible School conducted by John A. Abernathy and other Southern Baptist missionaries.

Like Vacation Bible Schools in the United States, they wanted to give an offering to help other people. Their \$2 was sent to the office of Porter Routh, treasurer of the Southern Baptist Convention, here for use in the Cooperative Program.

The Korean children said they wanted to help send the Gospel around the world.

## 64 YEARS IN THE SAME CHOIR

George Walker of Amite County has sung regularly in the bass section of Mars Hill Church choir since 1893. So far as the Baptist Record has been able to determine this is the longest term of continuous service rendered by any choir members currently active in Mississippi. At the age of 14 Mr. Walker made a profession of faith in Mars Hill Church. The next day he volunteered to help in the choir and he has been loyally at the job for 64 years. Sunday, August 25, he was 78 years of age—still singing bass. W. W. Hoffa is pastor of the church.—(Staff Photo).

Rev. Edward C. Williams, pastor of the Friendship Church, McComb, was the evangelist in a successful revival at the Bethel Church in Lincoln County, August 11-16, in which there were 13 professions of faith and one rededication.

On Sunday, August 18 in the regular church services there were six more additions, one profession of faith and five by letter, making a total of 19 for the week.

The pastor, Rev. G. W. Smith, attributes the success of this revival to much prayer on the part of Christian people.

### RIO DE JANEIRO PASTOR VISITS SON IN HATTIESBURG

BRAZILIAN VISITOR—Rev. Eliezer Correa de Oliveira of Rio de Janeiro examines a wooden lamp from Brazil with Rev. V. C. Windham of Hattiesburg.

A native of Brazil, the product of Southern Baptist missions, Rev. Eliezer Correa de Oliveira has spent the last several weeks seeing the U. S. deep south.

Here to visit his son, Evio, a senior student at William Carey College, Hattiesburg, Rev. Oliveira has been under the guidance of Pastor V. C. Windham and the 38th Ave., Church of Hattiesburg.

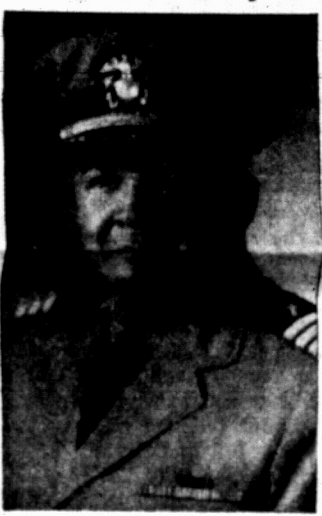

A pastor since 1936, the Portuguese-speaking visitor, attended the Southern Baptist mission school at Pernambuco and later served on the school faculty.

At present he is pastor in the capital city of Rio de Janeiro, serving the Madureira and the

Catete Baptist Churches. In addition he serves as an assistant to the executive secretary of the Brazilian Relief and Annuity Board. Rev. Oliveira is also a member of the executive committee of the Brazilian Baptist Convention.

Son Evio has been in the States for three and a half years attending William Carey College. He married Mary Ruth Jefferson of Zion Hill Church, Sunrise community near Hattiesburg. They have a new baby daughter who is meeting her Brazilian grandfather for the first time. Evio is Music and Educational Director for the 38th Ave. Church in Hattiesburg.

### Promoted To Rank of Commander in Chaplain Corps, US Naval Reserve

W. W. Herrin

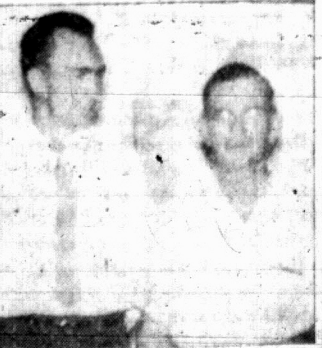

Rev. W. W. Herrin, pastor of First Church, Eupora, has just received notification of his promotion to the rank of Commander in the Chaplain Corps of the United States Naval Reserve.

Commander Herrin, who is a native of Covington County and a graduate of Mississippi College and Southern Seminary, was commissioned as a Lieutenant (jg) in the Naval Reserve, September 5, 1942. He served 3½ years on active duty during World War II and was separated to inactive duty in 1946 as a Lieutenant Commander.

Since that time he has been active in Naval Reserve units while serving as pastor in Kentucky, Richmond, Va., Kansas City, Mo., and for the past five years in his present pastorate.

Mr. Herrin was elected Vice-President of the Southern Baptist Chaplains Association at Chicago in May.

### Revival Team At Covenant Church

There were three additions by baptism and one by letter during the revival at Covenant Church in Choctaw County, August 11-16.

Rev. Charlie Long of Ethel (left, above) did the preaching, and Rev. C. F. Anglin, pastor, (shown at above right) directed the song services. Miss Rickie Thomas played the piano.

### HOME BOARD EMPLOYS ROGERS

Ralph Rogers, Ft. Worth, Tex., has been employed by the Home Mission Board for a special assignment of making pictures.

Rogers, a recent graduate of Southwestern Seminary, Fort Worth, began the new work Aug. 12. He formerly was associated with the Sunday School Board where he "shot" nine home mission films in co-operation with the Home Mission Board and the Sunday School Board.

Rogers will make black and white pictures, color slides, and do some motion picture and recording work.

## The Parson's Political Attitudes

Now comes a survey from California announcing that the Protestant clergyman of today seems to reflect the "middle-class thinking" of contemporary America—whatever that may mean!

John R. Shaffer of Los Angeles, working for a master's thesis and in cahoots with the public affairs commission of the Los Angeles Church Federation, finds the local preachers a bit too bourgeois, a little too high in the burgher class.

After mulling over the activities of 811 ministers, Shaffer et al have concluded that they were "probably Republican, and not active in political action organizations." A wider survey might have changed both of those conclusions.

Shaffer says that most of the ministers seem prepared to support honest officials and good government but they never get around to doing much about it.

About two-thirds of the ministers surveyed took little or no active part in a long list of organizations such as Parent-Teachers Association, YMCA, Chamber of Commerce, Service clubs and the like. "It's obvious," Shaffer concludes, "that ministers are little involved in action-type organizations."

It is also obvious that Mr. Shaffer's work is hardly a definitive affair. Most ministers these days have more "action-type organizations" within their own churches than they can handle. If he is true to his mission—and true to his community duty—he will of necessity major on his ministry and minor on civic-secular activities.

There are people who want their preacher to be mild, neutral, a pleasant and quiet citizen, one who will preach often on "Comfort ye, comfort ye my people!" They are the folks, diminishing in number we hope, who say, "Come weal or come woe, my status is quo!"

It has become a generally accepted fact that preachers have no business messing around too much in politics. We must agree. The good parson has far more significant business than ward-healing. Nevertheless, when there are issues of a moral nature at stake, the prophet in him must speak. When such is the case, let no man forbid him!

## Peak Jail Population

Along with about every other trend of these inflationary times, the number of people in prison in this country at the end of last year reached a staggering new high.

Prisons Bureau Director James V. Bennett has released a report showing that the ratio of state and federal prisoners to the population is 114.2 per 100,000 as of the end of '56. Federal prisoners account for about 10 per cent of the total.

America's scandalous crime record will not be improved by the prisons. In spite of all the advances in prisoner rehabilitation the fear of imprisonment is not enough to prevent crime.

Better schools and bigger churches are desirable goals, but they will not materially improve on lawlessness. There is only one place where this upswing in crime can be stopped; in the home.

A sense of decency, a respect for law and order, recognition of the rights of others—these qualities of character are shaped at home more than anywhere else. Christian principles learned in church, examined in school, become most meaningful when they are exemplified in the home.

## SBC Agencies Are Forbidden To Solicit From Churches

The Cooperative Program is a voluntary, united effort on the part of Baptist churches to meet vast missionary and education needs both at home and abroad.

One of the many fine things about the Cooperative Program is that it spares the churches of hundreds of separate appeals. Spur-of-the-moment, shot-in-the-dark gifts to Baptist institutions and agencies went to good and worthy causes, but such a haphazard method of support never has been satisfactory. The Cooperative Program has turned the old catch-as-catch-can method of support into an orderly, efficient, and practical means for any church to have a part in the entire worldwide program of Southern Baptists.

Since the agencies and institutions of the Southern Baptist Convention are included in the Cooperative Program they are prohibited from requesting churches to include those agencies or institutions in the church budgets for special amounts. The Business and Financial Plan of the Southern Baptist Convention expressly forbids any of the SBC agencies to make such individual appeals.

The Business and Financial Plan does not allow SBC agencies and institutions to approach individuals "for gifts for capital needs including endowments, and such approach to an individual is to be made only by personal contact or personal correspondence."

The Cooperative Program has made it possible for all of the churches to have a wider, fairer share in all of the work at home and abroad. God has seen fit to bless this method of laboring together for the Kingdom, and we need to support it fully and freely.

ANSWER: Your article is happily received. It is our hope that there can be at least one article from every one of the 1,756 churches of the state during the year. The Baptist Record belongs to the Baptist people of Mississippi and it exists to serve the needs of the churches. Short, concise, straight to the point news articles of general interest are welcome.

## Tithe?

Why do Baptists, who maintain that the New Testament is all-sufficient for faith and practice, teach that Christians should give in the terms of tithing?

Even referring to Matthew 23:23 the New Testament does not mention tithes or tithing only in reference to the Old Testament and the Law. Note Matthew 23 from verse 13 to the end of the chapter was not spoken to Christians but to scribes and Pharisees, hypocrites, in which he pronounced seven woes. In the woe of verse 23 he told them that the only part of the law they kept was tithing, indicating that was of least importance.

B. T. Beach  
Kosciusko

ANSWER: You are right in at least one respect. "The weightier matters of the law, judgment, mercy, and faith"—these are still the most important concerns of the Christian. Tithing cannot take the place of any of them. Jesus said as much. There is no substitute for them. Nothing warrants leaving them "undone."

Now, about the importance of tithing as shown in this scripture passage! Less important than these "weightier matters," to be sure, but important nevertheless. Paying the tithe is proper and right. Jesus said so. Referring unmistakably to the acts of tithing mentioned He said, "These ought ye to have done." Tithing is a New Testament principle. Matthew 23 is a clear statement of that fact.

## Tupelo Ousts Beer

You will be interested to know that the efforts of the "wets" to legalize the sale of beer in the city of Tupelo failed on last Tuesday in a special

election to the tune of almost 2 to 1.

The "wets" staged an all-out campaign and of course, we did, too. Ours was effective in the use of every righteous avenue. We used our Young People, radio, T. V., Newspapers, editorials, and every preacher in the city lined up solidly. A Methodist layman, Lawyer Guy Mitchell, Jr., led our campaign. The Tupelo Journal gave us wonderful assistance. The final vote was 1641 to 914.

Howard Aultman, Pastor  
Harrisburg Church  
Tupelo

P. S. This is of particular significance in view of the fact that the city of Tupelo voted a "wet majority" when beer was voted out of Lee county as a whole. That vote was in 1934.

## Federal Grants

In a recent visit to a friend in St. Dominics (Catholic Hospital). I was told that St. Dominics received state funds with which to build their domicile. If the Catholics can get funds from the state, why can't we? Do we not have enough pull or are we foolish enough to pretend we are not proud to accept these grants?

Mrs. William E. Agnew  
263 Lexington Avenue  
Jackson, Miss.

ANSWER: Baptists and Protestants have felt strongly that acceptance of government grants violates the First Amendment to the Constitution and weakens the principle of separation of church and state. To give tax funds paid in by people of any and all faiths and subsidize any church group for any purpose whatsoever is a violation of the Constitution. Since 1946 the Roman Catholic Church in America has received more than \$112,000,000 in Federal tax

## IMPRISONED BAPTIST PREACHERS MAKE PULPIT OF JAIL WINDOW

## Pages From The Past

By J. L. BOYD

## 50 YEARS AGO

The Macedonia Church, in Lincoln County, closed a great meeting of days with thirty-two accessions, Pastor J. S. Deaton, reporting.

## 40 YEARS AGO

The Baptist Orphanage is to have a new concrete silo, the gift of Mr. P. M. B. Self of Marks, Miss. Supt. J. R. Carter and the boys of the institution are very thankful for this very useful addition to their stock farm.

The Pleasant Hill Church, Newton County, recently dedicated their new church house. Rev. I. A. Haily of Union preached the dedicatory sermon, Deacon C. O. Crane in a few well chosen words delivered the church house over to the service of God, and Pastor R. L. Breland read a brief historical sketch of the church and led in the prayer of dedication.

Pastor J. L. Robinson of the church at Newton closes out his pastorate with the church at the conclusion of a very successful revival meeting before leaving as chaplain in the armed forces in World War I. Thirty-two accessions to the membership of the church. Rev. H. R. Holcomb assisted in the meeting.

## 25 YEARS AGO

There were twenty-four additions to the church, 17 for baptism during the revival meeting in the Mt. Zion church, Independence, Tate County, during which Pastor J. A. Huffstater was assisted by Rev. W. A. Hancock of Clinton as preacher and D. Curtis Hall as song leader.

By request of the Skene Church Pastor P. S. Howard, did the preaching in the revival meeting which resulted in thirty-two additions, 31 of them by baptism. Singer L. C. Craig of Fort Worth, Tex., led the song services.

The Sardis church, Lincoln County, had forty accessions from a protracted meeting in which Pastor Oscar Autritt was assisted by Rev. W. A. Bell of Jackson.

CHESTERFIELD, Va., February, 1771 (BP) — Two Baptist evangelists imprisoned because they refused to quit preaching the Baptist gospel have turned their prison sentence into a revival meeting. As they preach through the iron bars of their cells in Chesterfield County jail, many hearers are being converted.

The preachers, William Webber and Joseph Anthony, were arrested in December and charged with disorderly conduct. Their offense was preaching without the authority of the state church of Virginia in Baptist meetings which were attracting too much favorable attention.

Tried in January, Webber and Anthony were ordered to post bond that they would not preach again in the county. They told the court that they could not comply in good conscience and would go to prison first. The court hoped to silence the Baptists by confining them to jail, but the sentence has only heightened the fervor of the evangelists and made their message more compelling.

Webber and Anthony no longer can go to their congregations; now their congregations come to them. The Baptists preach twice a week to the throngs gathered outside the jail.

Their cell window has become a pulpit. Placing their Bible and hymnbook on the window sill, the prisoners, preach with tremendous effect. The grating before them confines the preachers to their cell, but their voices, ringing with zeal and conviction, carry easily to those on the outside.

The Baptist cause scarcely flickered in Chesterfield County prior to the arrest of the evangelists. But today, fanned by messages of courage and faith from within a prison cell, the flame of religious freedom is beginning to burn brightly. Authorities are expected to end their abortive attempt to silence the evangelists by setting them free.

Webber and Anthony came here from Goochland County where Baptists are gaining strength. The preachers were invited to conduct meetings here by residents of the county, but they discovered on their arrival that the authorities permit only ministers of the established church to preach.

Copyright, 1957, by Historical Commission, Southern Baptist Convention

converts to Catholicism. Baptists and most Protestants believe that it is constitutionally wrong and morally indefensible for any sectarian group to accept such funds. The dangers to religious freedom in this country are obvious. It is only a small step from federal grants to federal controls. There has been considerable interest in some legislation pending before Congress altering the Hill-Burton Act to provide for long-term government loans instead of outright grants. Meanwhile, Baptists are trying to practice what they preach and refuse federal aid for Baptist hospitals.

## No Garble

I should like to thank the Record for the splendid report given our G. A. girls, and the coronation service recently. Not one detail was missed or garbled. Our people were most grateful.

Silas Johnson  
Plantersville

ANSWER: And our thanks to you for a well-written article! Frequently we must revise articles because they are too long or because they do not measure up to good grammatical or journalistic standards. The most common error is the use of opinions in a news article without quotation marks around them and without identification as to who is giving the opinion. But more churches than ever have reporters who are writing better articles and we welcome the trend.—Editor

NEW YORK (RNS) — America's teenagers were urged here by evangelist Billy Graham to organize "gangs for Christ with as much enthusiasm as you sometimes organize gangs for crime."

## Counselor's Corner

By Dr. R. Lofton Hudson

Dr. Hudson, pastor of Wornall Road Baptist Church, Kansas City, Missouri is author of "The Religion of a Mature Person" and "The Religion of a Sound Mind" for the Baptist Record.

(Author of the new book FOR OUR AGE OF ANXIETY which may be purchased from your Baptist Book Store.)

## OLDEST CHURCH

QUESTION: The Catholic Church is proven to be the oldest church of all. The others are said to have launched out from it. If the Catholic Church is the church Christ founded, then how can any other church be right? Exactly where did the Baptists come from? Could you recommend a book on the history of Baptists?

ANSWER: Your letter shows that you are all mixed up on your history. All you have to do to know that the Roman Catholic Church is not the oldest of all churches is to read your New Testament. Rome gradually in the second and third centuries gained control of the other churches and then took the name Catholic, which was not heard of in the first Century.

No church can trace its lineage back to the Jerusalem Church which was the first one started by Jesus. Apostolic succession is not a part of the New Testament tradition, but a political idea introduced later. The true church of Christ is a spiritual entity, a group of people under the direction of the Holy Spirit.

Now as to Baptists, we go back to the Lord himself so far as our spiritual forefathers are concerned—there have always been believers outside any Catholic Church, Greek or Roman. But by the name Baptist we can trace our lineage back to about 1600.

A good modern book on Baptist history is one by Robert G. Torbet, *A History of Baptists*, published by the Judson Press. (Address questions to Dr. Hudson, Wornall Road Baptist Church, Kansas City, Mo.)

## Amish Elect 23-Year-Old As Top Leader

The Old Order Amish Menonite church in Bereville, Pennsylvania, shattered tradition by electing a minister who is only 23 years old. They named John Stoltzfus to fill the vacancy caused by the death of Aaron R. Glick. Amish ministers are chosen by lot, but only the names of those nominated by five or more members of the congregation are placed in the lot. Customarily, only the names of men who are in their thirties or older are placed in the lot; since the minister is not only the spiritual but also the temporal leader of a congregation.

Mr. Stoltzfus is believed to be the youngest minister ever to lead an Amish congregation in America. The congregation which he heads does not have a church building but meets in the homes of the members. The members refuse to use modern conveniences; they still drive horses and buggies.

DAYTON, O. — The Evangelical United Brethren Church will launch a "Youth Evangelists Service" or "Y-E-S" program Sept. 1.

In effect, the resolutions declare that "whereas the liquor traffic will ever be a moral and spiritual issue and whereas legislative action on this matter appears imminent, the ministers of this conference, representing 23 churches, with a total of 6745 members, wish to go on record as being categorically opposed to the legalization and sale of alcoholic beverages, in any and all forms, in the state of Mississippi.

"Such action would be one of the most devastating blows ever dealt this state, and to the cause of decency and dignity therein. We are opposed to a special legislative session or the expenses of a referendum to consider this matter. It is our purpose to oppose this traffic with every means at our disposal."

Thomas M. Hall is president of the Marion County Pastors' Conference and G. Clayton Bond is secretary.

## Drowned Minister's Estate Sues For \$100,000 Damages

WASHINGTON, D. C. (RNS) — The estate of a Washington minister who drowned while conducting a baptism service in the Potomac River has brought suit for \$100,000 damages against the Norfolk (Va.) Dredging Company.

Elder William Henry Morgan, 49, pastor of the Church of God and Saints of Christ, led his congregation into the water to hip depth the minister suddenly disappeared from sight. Efforts to rescue him failed.

According to the suit, the Norfolk company had been dredging a 15-foot deep channel for an underwater cable to the U. S. Naval Air Station on the Anacostia River nearby. The suit maintains that the company was negligent in failing to post warning signs and says that the congregation had conducted previous baptism rites on the site without danger.

## Off The Record

"I see you're letting your little son drive the car."

"Yes, he's still too young to be trusted as a pedestrian."

Junior: "Daddy, why do the ladies always bring their knitting when they come to the house?"

Daddy: "It gives them something to think about while they are talking."
